REFERENCE

Jun Tantiado
Techno Global Team Inc.
Senior Operations Manager
Phone: +639178436379

PROFILE

As a fresh graduate, I aim to start my career in website and mobile application development by applying the knowledge and skills I gained through my academic training. I am eager to contribute innovative and user-friendly solutions while continuously learning and growing as a professional developer.

WORK EXPERIENCE

Techno Global Team   APRIL - AUGUST 2025
IT Intern

- Primarily responsible for managing and auditing IT inventory, ensuring all items were accurately recorded and updated in the inventory system and database.
- Assisted with hardware-related tasks, including setup, troubleshooting, and deployment across various workstations.
- Contributed to report generation and data organization using Microsoft Excel to support the team's operations.

EDUCATION

Bachelor of Science in Information Technology   2021 - 2025
Technological University of the Philippines - Taguig

PROJECTS

KBituin Ecommerce Shop
